PRIMO COMPACT MANUAL - FILLING

FILLING THE PRIMO COMPACT

Before you start:

- Read the safety instructions
- Wash your hands thoroughly
- Makes sure you do not touch the beans or instant products with your hands

To fill the Compact with Coffee beans:

Read the required bean type from the label on the back of the machine.

1. Remove the lid of the bean canister
2. Fill the bean canister with the required beans

To fill the Compact with instant product(s)

1. Open the Compact door
2. Lift the cover

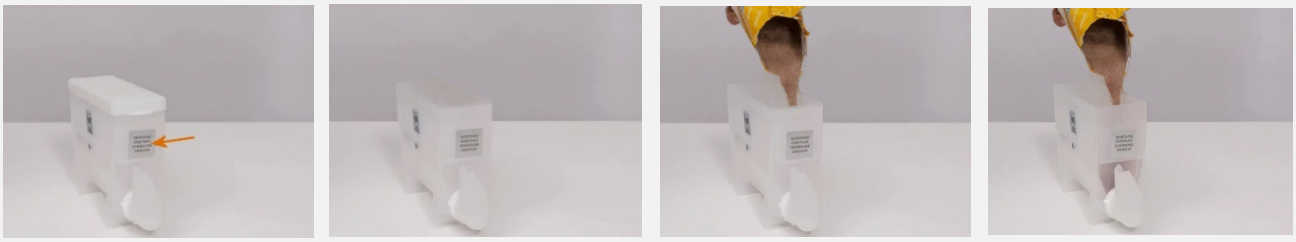
Turn the outlets of the instant canisters upwards

Remove the instant canister from the Compact by lifting it and pulling it forward

PRIMO COMPACT MANUAL - FILLING

FILLING THE PRIMO COMPACT

1. Read the required instant product from the label
2. Open the lid of the canister
3. Fill the instant canister(s) with the required product.



Place the instant canisters back in the machine

Attention: Make sure that the canisters connects to the rotor on the back and falls into the hole on the front.

Turn the canister's outlet downwards into the mixer cup.

Close the Door

The Compact is now filled and ready to serve drinks

PRIMO COMPACT MANUAL - FILLING
