MINI/MIDI

USING THE MINI/MIDI

westomatic
make it happen

USING THE MACHINE

These instructions show the steps for using the Primo Mini/Midi:

- Ensure the machine is powered on
- Ensure the Canisters have been filled and the machine is clean

1

Place a cup
under the
outlet

2

Use the
touchscreen to
select a recipe
and dispense a
drink

3

Check drink to
make sure
taste and fill
are as desired

4

Repeat for all
drinks - adjust if
necessary.

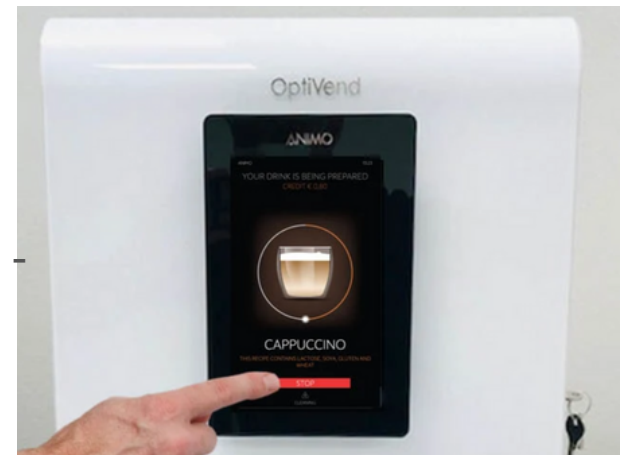

5

Place a glass
under the hot
water outlet - an
LED will indicate
position

6

Press Stop if you
want to cancel
brewing process -
check
temperature of
water

7

When all drinks are tested and tasted - the machine can be closed and locked

8

Machine is ready to use
