# CLEANING THE MACHINE

These instructions show the steps for MONTHLY cleaning of the Primo Mini/Midi:

- Cleaning the ingredient mixer parts
- Clean the drip tray and cup tray
- Clean the canisters & chutes

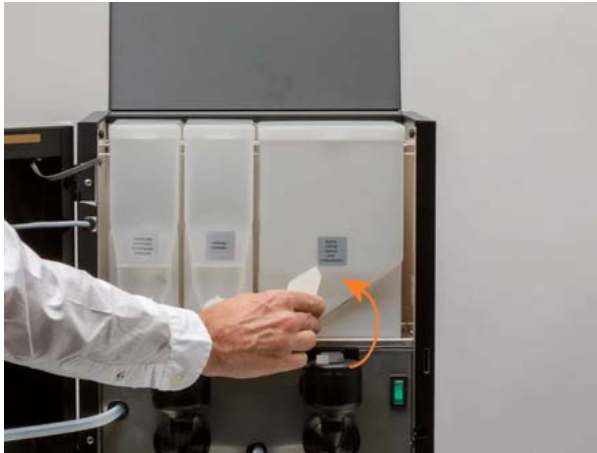

1

This is in addition to the WEEKLY cleaning routine - Door open, top lid open.

2

Rotate the canister chutes upwards

3

Remove all the canisters from the machine

4

Empty the canisters and remove the canister chutes

5

Remove the locking ring on the reverse of the canister

6

Remove the plastic auger from the canister

7

Clean the auger, ring, canister chute, canister with mild detergent

8

Dry all the parts thoroughly - its essential they are completely dry to prevent blockage

9

Reassemble all parts

10

Clean the canister area with the brush

11

Perform the steps from the WEEKLY cleaning instructions...

12

Refil the canisters with the appropriate products

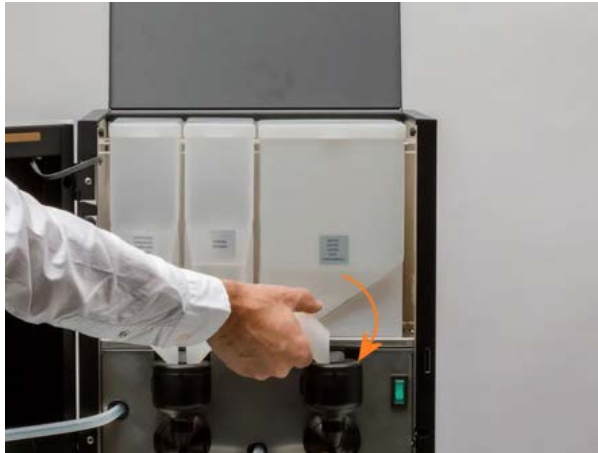

13

Replace the canisters back into the machine

14

Rotate the canister chutes back into position

15

Close the lid, and the door of the machine

16

The machine is now ready to use
